Detail Facility List

No.	Name	Model		Country of origin	Production line
1	Groove broacher	MJ134	3	China	Plywood Preparation
2	90° Angle cutter		2	China	Plywood Preparation
3	Two-headed universal bevel saw		1	China	Plywood Preparation
4	edge bonding machine	YITC-60B	1	China	Plywood Preparation
5	Panel saw	E27	2	China	Plywood Preparation
6	Grooving machine	TF76B	1	China	Plywood Preparation
7	Biesse edgebanding machines	JAD200	1	China	Plywood Preparation
8	Panel saw	MJ6225	1	China	Plywood Preparation
9	Small sliding table saw	MJ6130	2	China	Plywood Preparation
10	Dovetail machine	TYPE CNC-500	1	China	Plywood Preparation

No.	Name	Model	Quantity	Country of origin	Photo
11	Edge bonding machine	J-T-365C	1	China	Plywood Preparation
12	Curve edge sealing machine	FBJ-888	1	China	Plywood Preparation
13	Platoons Multiaxle Drilling Machine	MZ7421B	2	China	Plywood Preparation
14	Single row drilling	MZ7121A	3	China	Plywood Preparation
15	Hydraulic lift drill	MZ42112	2	China	Plywood Preparation
16	vertical router	MX5068	1	China	Plywood Preparation
17	CNC Router	MJ134	1	Italy	Plywood Preparation
18	Label Printer		1	China	Plywood Preparation
19	Small sanding machine	MP630	1	Italy	Plywood Preparation
20	Large sanding machine	BSG2113P	1	China	Plywood Preparation
21	Cold press machine		2	China	Plywood Preparation
22	Felt-board machine		2	China	Solid Wood Preparation

No.	Name	Model	Quantity	Country of origin	Photo
23	Monolithic saw	ZHX-MJ163	1	China	Solid Wood Preparation
24	Automatic single blade longitudinal saw	MJ163A	2	China	Solid Wood Preparation
25	Double-sided planer	M610B	1	China	Solid Wood Preparation
26	Planer		1	China	Solid Wood Preparation
27	Band saw		1	China	Solid Wood Preparation
28	Double side saw		1	China	Solid Wood Preparation
29	Small cutting saws		1	China	Solid Wood Preparation
30	Universal saw		1	China	Solid Wood Preparation
31	Numerical control multi-axis mortising machine	MSK3724X2	1	China	Solid Wood Preparation
32	Horizontal double-end mortising machine	MS3112	1	China	Solid Wood Preparation
33	Horizontal multi-spindle adjustable woodworking drilling machine	MZ94112	1	China	Solid Wood Preparation
34	Double-end NC mortise and tenon machine	MDK2212B	1	China	Solid Wood Preparation

No.	Name	Model	Quantity	Country of origin	Photo
35	Nc mortise and tenon machine	MDK31BB	2	China	Solid Wood Preparation
36	Hand drill		1	China	Solid Wood Preparation
37	Horizontal single row drill		2	China	Solid Wood Preparation
38	Double vertical shaft	MX5116A		China	Solid Wood Preparation
39	Universal saw		3	China	Solid Wood Preparation
40	Precision cutting saw	DET-2600-E4	1	China	Solid Wood Preparation
41	Precision cutting board saw	MT6130	1	China	Solid Wood Preparation
42	Double side saw		1	China	Solid Wood Preparation
43	wide belt sanding machine	SD-3110	2	China	Solid Wood Preparation
44	Surface sander	CDR1000A	2	China	Solid Wood Preparation
45	Transfer machine			China	Solid Wood Preparation
46	Vertical single shaft woodworking push table milling machine	MX5116B	2	China	Solid Wood Preparation

No.	Name	Model	Quantity	Country of origin	Photo
47	Oscillating sander		1	China	Solid Wood Preparation
48	Double end sander	EB-72B2R	2	China	Solid Wood Preparation
49	1300 sanding machine	SR-R-RP1000B	1	China	Solid Wood Preparation
50	Hinge drill		1	China	Solid Wood Preparation
51	A single vertical shaft	MX5117B	4	China	Solid Wood Preparation
52	Automatic feeder		5	China	Solid Wood Preparation
53	Vertical multi-spindle woodworking drilling machine	MZ4214	1	China	Solid Wood Preparation
54	600 sanding machine	BSG22B	1	China	Solid Wood Preparation
55	Finger-jointers	M2J250	1	China	Solid Wood Preparation
56	Cutting saw	K2600	1	China	Solid Wood Preparation
57	Four-sided woodworking planer	LMC-615C	2	Taiwan	Solid Wood Preparation
58	Dust collection fan		4	China	Solid Wood Preparation

No.	Name	Model	Quantity	Country of origin	Photo
59	Sander	MM2500	1	China	Solid Wood Preparation
60	Dovetail groove tenoning machine	SC40-Z	2	China	Solid Wood Preparation
61	Drilling machine	MZ42112	1	China	Solid Wood Preparation
62	Rack shaping machine	MX3510C	1	China	Solid Wood Preparation
63	Automatic feeding high speed double axis planer	MB503Z	1	China	Solid Wood Preparation
64	Carpenter's bevel planer	MB523A	1	China	Solid Wood Preparation
65	Drilling machine		1	China	Solid Wood Preparation
66	Grooving machine		2	China	Solid Wood Preparation
67	Surface sander	QMP650	1	China	Solid Wood Preparation
68	Nc mortise and tenon machine	MDK313B	1	China	Solid Wood Preparation
69	45 degree tenoning machine	YC-TF2	1	China	Solid Wood Preparation
70	Groove broacher		1	China	Solid Wood Preparation

No.	Name	Model	Quantity	Country of origin	Photo
71	UV dusting machine		2	China	UV Painting
72	Sander		1	China	UV Painting
73	Drying machine		2	China	UV Painting
